Agreements:

The property owner/operator and/or the property owners/operator agent agree as follows:

1. All construction and development will be carried out pursuant to SWPPP as approved by the Stormwater Management Officer (SMO).
2. The owner/operator shall provide, and install as his/her expense, all stormwater management facility improvements in accordance with the approved SWPPP.
3. Approval in writing must be obtained from the Town of Pawling SMO prior to any modification to actual cost of reviews directly to the Town of Pawling.
4. Prior to commencement of construction, the owner/operator shall provide the Town of Pawling the appropriate stormwater construction compliance inspection fees as specified in the Town of Pawling Stormwater Inspection Fee Schedule.
5. The SMO or his/her designee may enter the development site for the purpose of inspections for compliance with the Town of Pawling Zoning.
6. Approval of the Application by the Town of Pawling does not relieve the owner/operator or developer of any obligation he/she may have to obtain County, State and/or Federal permits including NYSDEC coverage under SPDES General Permit for Stormwater Discharges from Construction Activity General Permit No. GP- 0-15-002 (or as amended).
